HYDERABAD INTENSIVE CARE SYMPOSIUM

12-14 JUNE, 2026 | SINDHU HOSPITALS AUDITORIUM, HYDERABAD

Name: Dr. Monalisa Mishra

Designation: Senior Consultant Critical Care Medicine

Affiliation: Apollo Hospitals, Kolkata

Brief Bio/Achievements:

Where she brings extensive clinical expertise and leadership to the forefront of intensive care management. With years of hands-on experience in managing critically ill patients across a wide spectrum of medical emergencies, she plays a pivotal role in delivering evidence-based, multidisciplinary care in one of the city's most advanced tertiary care settings. Dr. Mishra specializes in the management of sepsis, multi-organ failure, complex ventilatory support, and post-operative intensive care, ensuring the highest standards of patient outcomes. Her approach combines clinical precision with compassionate care, making her a trusted name among peers and patients alike. Actively involved in clinical training and protocol development, she also contributes significantly to strengthening critical care systems and mentoring the next generation of healthcare professionals.
